

Omri Amiraz
+972-542495911
omri.amiraz@ugent.be

Research Interests

Formal semantics, linguistic typology, historical linguistics, corpus linguistics

Academic Appointments

Postdoctoral research fellow	2025 – present
Ghent University, Ghent, Belgium	
Host: Prof. Alexandra Simonenko	
Project: ERC-funded project CAUSALITY	

Education

PhD in Linguistics	2018 – 2025
The Hebrew University of Jerusalem, Jerusalem, Israel	
Dissertation title: Inverse scope in <i>all...not</i> constructions: A cross-linguistic and diachronic investigation	
Supervisor: Prof. Nora Boneh	
Committee: Prof. Elitzur Bar-Asher Siegal, Prof. Luka Crnič, Prof. Eitan Grossman	
MA in Linguistics, <i>magna cum laude</i>	2016 – 2019
Thesis title: Semi Positive Polarity Items	
Supervisor: Prof. Edit Doron	
Supplementary Studies in Linguistics	2014 – 2016
Tel Aviv University, Tel Aviv, Israel	
BA in Film and Television, <i>magna cum laude</i>	2012 – 2016
Tel Aviv University, Tel Aviv, Israel	

Visiting Scholar

Chateaubriand Fellowship Visiting Scholar	2024
École normale supérieure (ENS), Paris, France	
Host: Prof. Benjamin Spector	

Honors, Fellowships, and Grants

Joseph Greenberg Award, Association for Linguistic Typology	2026
Awarded for the best doctoral dissertation in linguistic typology in 2024–2025	
Chateaubriand Fellowship Program	2024
Mandel School short-term travel grant	2023
Rotenstreich Scholarship for outstanding PhD students in the humanities	2021 – 2025
HUJI President's Scholarship	2020 – 2021
Mandel Scholion Research Center	2018 – 2020
Member of the “Historical Linguistics and Formal Semantics” research group	

Publications

Peer-reviewed journal papers

1. **Amiraz, Omri.** (Accepted.) Indirect scalar inferences in negative focus constructions. *Journal of Semantics*.
2. **Amiraz, Omri.** (Accepted with minor revisions.) A constraint on quantification over parts. *Natural Language Semantics*.

Articles in peer-reviewed edited volumes

3. **Amiraz, Omri** & Grossman, Eitan. 2025. Why new future markers are often banned from negative contexts. In Bar-Asher Siegal, Elitzur & Boneh, Nora & Grossman, Eitan & Rubinstein, Aynat (eds.), *Language Change: Theoretical and Empirical Perspectives*. Springer.
4. **Amiraz, Omri.** 2025. Negation in Modern Hebrew. In Miestamo, Matti & Veselinova, Ljuba (eds.), *Negation in the languages of the world*. Berlin: Language Science Press.

Conference proceedings refereed by abstract

5. **Amiraz, Omri** & Doron, Omri. 2025. Definite plurals in comparatives. In Longo, Federica & Panizza, Daniele (eds.), *Proceedings of Sinn und Bedeutung 29*, 47-58. Noto, Italy: Consorzio Universitario Mediterraneo Orientale.
6. Marty, Paul & **Amiraz, Omri** & Elliott, Patrick & Del Pinal, Guillermo & Romoli, Jacopo. 2025. Homogeneity in non-monotonic contexts. In Longo, Federica & Panizza, Daniele (eds.), *Proceedings of Sinn und Bedeutung 29*, 968-985. Noto, Italy: Consorzio Universitario Mediterraneo Orientale.
7. **Amiraz, Omri.** 2025. Evidence for projection of cleft exhaustivity. In Zhao, Fengyue & Zhang, Yao (eds.), *Proceedings of Semantics and Linguistic Theory (SALT) 34*, 605-624. Rochester, NY: University of Rochester.
8. **Amiraz, Omri.** 2022. Not all scalar inferences are alike: The effect of existential presuppositions. In Degano, Marco & Roberts, Tom & Sbardolini, Giorgio & Schouwstra, Marieke (eds.), *Proceedings of Amsterdam Colloquium 23*, 8-14. Amsterdam: University of Amsterdam.
9. **Amiraz, Omri.** 2022. A diachronic explanation for cross-linguistic variation in the use of inverse-scope constructions. In Dreier, Nicole & Kwon, Chloe & Darnell, Thomas & Starr, John (eds.), *Proceedings of Semantics and Linguistic Theory (SALT) 31*, 21-41. Providence, RI: Brown University.
10. **Amiraz, Omri.** 2021. A constraint on co-occurrence of partitive quantifiers and gradable predicates. In Grosz, Patrick & Martí, Luisa & Pearson, Hazel & Sudo, Yasutada & Zobel, Sarah (eds.), *Proceedings of Sinn und Bedeutung 25*, 55-72. London: University College London and Queen Mary University of London.
11. **Amiraz, Omri.** 2020. Non-maximality and homogeneity: Parallels between collective predicates and absolute adjectives. In Franke, Michael & Kompa, Nikola & Liu, Mingya & Mueller, Jutta L. & Schwab, Julianne (eds.), *Proceedings of Sinn und Bedeutung 24*, vol. 1, 66-83. Osnabrück/Berlin: Osnabrück University and Humboldt University of Berlin.

12. **Amiraz, Omri.** 2019. Semi Positive Polarity Items. In Baird, Maggie & Pesetsky, Jonathan (eds.), *Proceedings of North East Linguistic Society (NELS) 49*, vol. 1, 49-62. Amherst, MA: GLSA.

Manuscripts in preparation

- **Amiraz, Omri.** (In preparation.) The scope transparency hypothesis.

Presentations

Invited talks and seminars

1. **Inverse scope in *all...not* constructions: A cross-linguistic and diachronic investigation**
Joseph Greenberg Award plenary lecture
Association for Linguistic Typology (ALT) 16 Lyon, July 2026
2. **Indirect scalar inferences in negative focus constructions**
The Negation Network, an international semantics seminar Online, Dec. 2025
Ben-Gurion University of the Negev, Linguistics departmental seminar Be'er-Sheva, May 2024
Tel Aviv University Linguistics Colloquium Tel Aviv, March 2024
3. **Constraints on quantification**
École normale supérieure, LINGUAE seminar Paris, Nov. 2024
4. **A constraint on co-occurrence of partitive quantifiers and gradable predicates**
Degrees, Questions, et al., a semantics workshop Jerusalem, June 2023
5. **A diachronic explanation for cross-linguistic variation in the use of inverse-scope constructions**
The Negation Network, an international semantics seminar Online, April 2022
Tel Aviv University Linguistics Colloquium Tel Aviv, Jan. 2021
6. **Negated quantifier and inverse-scope constructions**
Tel Aviv University Computational Linguistics Lab Tel Aviv, Jan. 2020

Conference presentations refereed by abstract

7. **The non-lexicalization of ‘not all’: A near-absolute universal**
Unpacking paradigmatic gaps: Kickoff workshop Göttingen, Mar. 2026
8. **Definite plurals in comparatives**
With Omri Doron
Sinn und Bedeutung (SuB) 29 (talk) Noto, Sept. 2024
9. **Homogeneity in non-monotonic contexts**
With Paul Marty, Patrick Elliott, Guillermo Del Pinal, and Jacopo Romoli.
Sinn und Bedeutung (SuB) 29 (talk) Noto, Sept. 2024
10. **Evidence for projection of cleft exhaustivity**
Semantics and Linguistic Theory (SALT) 34 (talk) Rochester, May 2024
11. **Homogeneity effects are motivated by communicative efficiency**
Semantics and Philosophy in Europe Colloquium (SPE) 12 (talk) Nice, Oct. 2023
Homogeneity and Non-maximality Workshop 2 (talk) Vienna, July 2023

12. **Not all scalar inferences are alike: The effect of existential presuppositions**
Amsterdam Colloquium 23 (talk) Amsterdam, Dec. 2022
Israel Association for Theoretical Linguistics (IATL) 37 (poster) Jerusalem, Oct. 2022
13. **A processing-based explanation for left-right agreement asymmetries**
Crosslinguistic Perspectives on Processing and Learning (X-PPL) 2023 (poster) Zürich, Nov. 2023
Association for Linguistic Typology (ALT) 14 (poster) Austin, Dec. 2022
14. **Why new future markers are often banned from negative contexts**
 With Eitan Grossman
Association for Linguistic Typology (ALT) 14 (talk) Austin, Dec. 2022
Societas Linguistica Europaea (SLE) 55 (talk) Bucharest, Aug. 2022
15. **A diachronic explanation for cross-linguistic variation in the use of inverse-scope constructions**
Semantics and Linguistic Theory (SALT) 31 (talk) Online, May 2021
Societas Linguistica Europaea (SLE) 54 (talk) Online, Sept. 2021
Israel Association for Theoretical Linguistics (IATL) 36 (talk) Online, July 2021
16. **Negated quantifier phrase constructions: typology and diachrony**
Usage-Based Linguistics (UBL) 5 (talk) Online, July 2021
Societas Linguistica Europaea (SLE) 53 (poster) Online, Sept. 2020
17. **A constraint on co-occurrence of partitive quantifiers and gradable predicates**
Sinn und Bedeutung (SuB) 25 (talk) Online, Sept. 2020
18. **Non-maximality and homogeneity in collective predicates and absolute adjectives**
Homogeneity & Non-Maximality Workshop (talk) Online, November 2022
Sinn und Bedeutung (SuB) 24 (talk) Osnabrück, Sept. 2019
19. **Semi Positive Polarity Items**
North East Linguistic Society (NELS) 49 (talk) Ithaca, Oct. 2018
20. **Negation in Modern Hebrew**
Syntax of the World's Languages (SWL) 8 (poster) Paris, Sept. 2018

Campus talks

21. **Two types of indirect scalar inferences**
The Hebrew University of Jerusalem, Linguistics Departmental seminar Jerusalem, Jan. 2024
22. **Why new future markers are often banned from negative contexts**
 With Eitan Grossman (HUJI)
Language Change: Theoretical and Empirical Perspectives (talk) Online, Jan. 2021
23. **Semi Positive Polarity Items**
Emergence of Modern Hebrew Seminar Jerusalem, June 2019
24. **Inverse scope in Hebrew**
Language, Logic and Cognition Center Seminar Jerusalem, March 2018

Conferences and workshops organized

- **LLCC Research Brunch**

Graduate student seminar at the Language, Logic and Cognition Center Jerusalem, 2020-2022
Organized with Noa Bassel and Nadine Abdel-Rahman (HUJI)

- **7th International Graduate student conference on Diverse Approaches to Linguistics (IGDAL 7)**

Jerusalem, April 2019
Organized with Bar Avineri, Júda Ronén, Noa Bassel, Noa Goldblatt, and Yael Gaulan (HUJI)

- **2nd National Linguathon (linguistics marathon)**

Student research workshop at the Language, Logic and Cognition Center Jerusalem, Oct. 2018
Organized with Noa Bassel (HUJI)

- **1st National Linguathon (linguistics marathon)**

Student research workshop at the Language, Logic and Cognition Center Jerusalem, March 2018
Organized with Noa Bassel (HUJI)

Teaching

Instructor

“Semantics” (BA, Bar-Ilan University) 2025

“Adjectives: Semantics and Typology” (BA, The Hebrew University of Jerusalem) 2023

Teaching assistant

“Linguistic Categories” (BA, The Hebrew University of Jerusalem) 2017

Summer and winter schools

- **Language universals and language diversity** summer school, Como, Italy 2019

- **Syntax** winter school, the Hebrew University of Jerusalem 2018

- **Creteling** summer school, University of Crete 2018

- **Phonology** winter school, Tel Aviv University 2017

- **Historical Linguistics** summer school, University of Göttingen 2017

Languages

Hebrew (native); English (fluent); Persian (advanced reading competency); French, Spanish (can read with dictionary)
